Hard Skill

- Web Development
- Database Management with SQL
- Supervised Machine learning
- Problem solving
- Computer
- Programing language(C, C++, Python, JavaScript)

Soft Skill

- Observation
- Decision making
- Communication
- Multi-tasking

About Me

As a skilled web developer with a passion for machine learning, I have completed numerous projects that showcase my technical abilities and creativity. With experience in technologies such as HTML, CSS, JavaScript, PHP, Python, I am confident in my ability to create innovative solutions that meet and exceed industry standards. Whether working independently or as part of a team, I bring a strong work ethic and dedication to every project. My ultimate goal is to contribute my knowledge and skills to a company that values innovation and excellence.
